Parents Reminder

Head Start Parents: Reminder about Attendances:

It is very important that your child attend school regularly. All students that are a part of the Head Start Program

Must maintain 85% attendance when your child is absent ***THREE or MORE*** consecutive days without report from parents, the following steps are taken which can/ may cause your child to be immediately withdrawn from the program. Please make sure your child attends school regularly, and contact the school if you have a Doctor's appointment, car/transportation issues, family emergency, illness or anything that may cause your child to be late or absent

Please call and inform us.

Parent Corner:

Indoor/ Outdoor Play

Active indoor and outdoor play is a regular part of our school day. Sneakers and shoes with rubber soles are recommended. Clogs and sandals (open toes) are not permitted because of the safety hazard they present. Boots cannot be worn inside in place as sneakers and shoes as they may become wet from outside play and they also cause children to stumble.

Please dress your child in clothing that is suitable for running, climbing and other vigorous activities. Clothing should be appropriate for the weather. Because the children work in paint, clay and other messy materials, they should wear clothes that can be laundered easily.

Special or dressy clothes should be reserved for elsewhere. This type clothing often inhibits a child from taking full advantage of children active physical (large and gross) movements.

Make a date to join us once again for Little Kiddies Head Start Graduate Students, who will be transitioning to Kindergarten
